

Multi-Stakeholder Group (MSG) participation across stakeholder countries

Definition of civil society used: 'Civil society' broadly means the groups and organisations which occupy a position between the household, the state and the private sector. They include: non governmental organisations (NGOs); think tanks; trade unions; employers' associations; business associations; professional associations; cooperatives; faith groups; social movements; community groups; and recreational groups. (<http://www.dfid.gov.uk/About-DFID/Who-we-work-with1/Civil-society/>)
